H A T S

MANUFACTURED by the advertiser, (residing in the old Coffee-House, opposite the new built one) to exceed in fineness, cut, colour and cock; and by a method peculiar to himself, to turn rain, and prevent the sweat of the head damaging the crown. Encouragement to those who buy to sell again.—He, impressed with the deepest gratitude, being sensible of the many favours and honours conferred on him, does unfeignedly return, to all those who have favoured him with their custom and interest, his most humble and hearty thanks; assuring them, at the same time, that by all possible means, he will endeavour to discharge himself in his function, with faithfulness to all mankind.
