(The British Museum)

PRATTLE THE POLITICAL APOTHECARY.
*Beg your pardon my Dear Sir - had it from my Lud Fiddle faddle.
 nothing to do but cut 'em off pass the Susquehanna and
 proceed to Boston possess himself of Croron point then -
 Philadelphia ^{or the City of the United States} would have fallen off course - & a communication
 opened with the Northern Army - as easily as I'd open a Vein.*
 1779. 9. 1. 89

Pub.^d by Humphrey N^o. 18. New Bond Street

Medicine Books

George Washington's copy of Experiments on the Red and Quill Peruvian bark, by Ralph Irving, 1785
(Mount Vernon Ladies' Association)

To make Stoughton's Elixir.

PARE off the rinds of six *Seville* oranges very thin, and put them in a quart bottle, with an ounce of gentian scraped and sliced, and six pennyworth of cochineal; put to it a pint of the best brandy; shake it together two or three times the first day, and then let it stand to settle two days, and clear it off into bottles for use; take a large tea spoonful in a glass of wine in a morning, and at four in the afternoon; or you may take it in a dish of tea.
